Dinner Time Dougie is an Austin DJ playing Microwave Soul: soulful bass music, from hiphop and trap to latin and desert house. Sets run as courses. The Late Plate is for clubs and after-hours, the Brunch Set is for daytime rooms, and the Supper Club is a ticketed night built with the venue.

The booth is the pass, and the selection is the one thing Dougie won't cut corners on. New in 2026. Pull up a chair.
